—DOROTHY LEE

FORMER EXECUTIVE DIRECTOR OF LITWORLD  
AND CO-CREATOR OF WORLD READ ALOUD DAY

After reading his way through popular series like *Harry Potter*, *Percy Jackson*, and *The Land of Stories*, author Karen Kelloway's son said, "I've run out of things to read. Why can't I find more books about kids my age who love adventure?" So, she wrote this novel. The good news? Her son and her daughter both approve. Karen lives in Halifax, Nova Scotia, with her family and their fluffy black-and-white Havanese, Chewie. Find her at [karenkelloway.com](http://karenkelloway.com).
